

Nabil Gholam architecture & planning wins two CNBC Arabian Property Awards 2008 and gets nominated to receive an international award

Two CNBC Arabian property awards 2008 were granted to NG architecture & planning for the following projects:

Clouds, Faqra Club, Lebanon, 4 stars winner for Best Architecture category, multiple units.

AZ House, Adma, Lebanon, 5 stars winner for Best Architecture category, single unit.

This project was the “best in its category” and will be presented for the 5 regions international awards to be held in Florida USA later this year. There, the project will compete against entries from Asia, Europe, UK and America for the worldwide award.
